August 12, 2020

Dear Parents/Guardians:

Governor Phil Murphy announced that school districts may start the 2020-2021 school year with 100% virtual instruction on August 12, 2020. Over the next few days, the district will review these new guidelines and seek further input from the Cape May County Department of Health and the Department of Education.

In addition, the county school districts will reconvene and coordinate efforts to make the safest decisions for our students and staff members.

On behalf of the West Cape May School District your continued patience, support and advocacy is greatly appreciated.

Sincerely,  
Robert Garguilo
